○ It was the day after Halloween, and it had been THE BEST NIGHT.

○ I woke up with a head full of awesome memories, got out of bed, and grabbed the pillow case I'd filled with candy the night before. I reached in, and felt something... weird. I pulled it out, and it wasn't candy - it was

- "TRICK OR TREAT!" We all yelled. It was the probably the thousandth time we'd yelled it that night, but it still wasn't old. Because we all knew that now the door was going to open and we'd get an awesome treat.

But at this house, that's not what happened at all. When the door opened...
